

SYK-2016

Portable Display Elegance

Introducing **Symphony**, the first portable/modular display to blend easy tool-less assembly with elegant design and clever accessories. With Symphony, there are no compromises, no tradeoffs. Simply a beautiful, upscale display at a price that's thousands less than most custom modular exhibits.

8 Frame Shapes | 57 Portable Designs

Features and Benefits

- ◆ Portable No-Tools Assembly
- ◆ Lightweight Engineered Aluminum Frame
- ◆ Press-fit SEG Dye-Sublimated Graphics
- ◆ Backwall Workstations
- ◆ Reusable Protective Packaging
- ◆ Portable Roto-molded Case(s) w/ Wheels
- ◆ Made in the USA
- ◆ Limited Lifetime Warranty

SYK-1029

Gravitee Designs

Gravitee combines custom design with simple assembly. The fully-assembled panels connect without loose parts or tools and accept both SEG fabric and direct print graphics. The panels are stackable (again without tools), and every panel is design to be single or double-sided for seamless versatility.

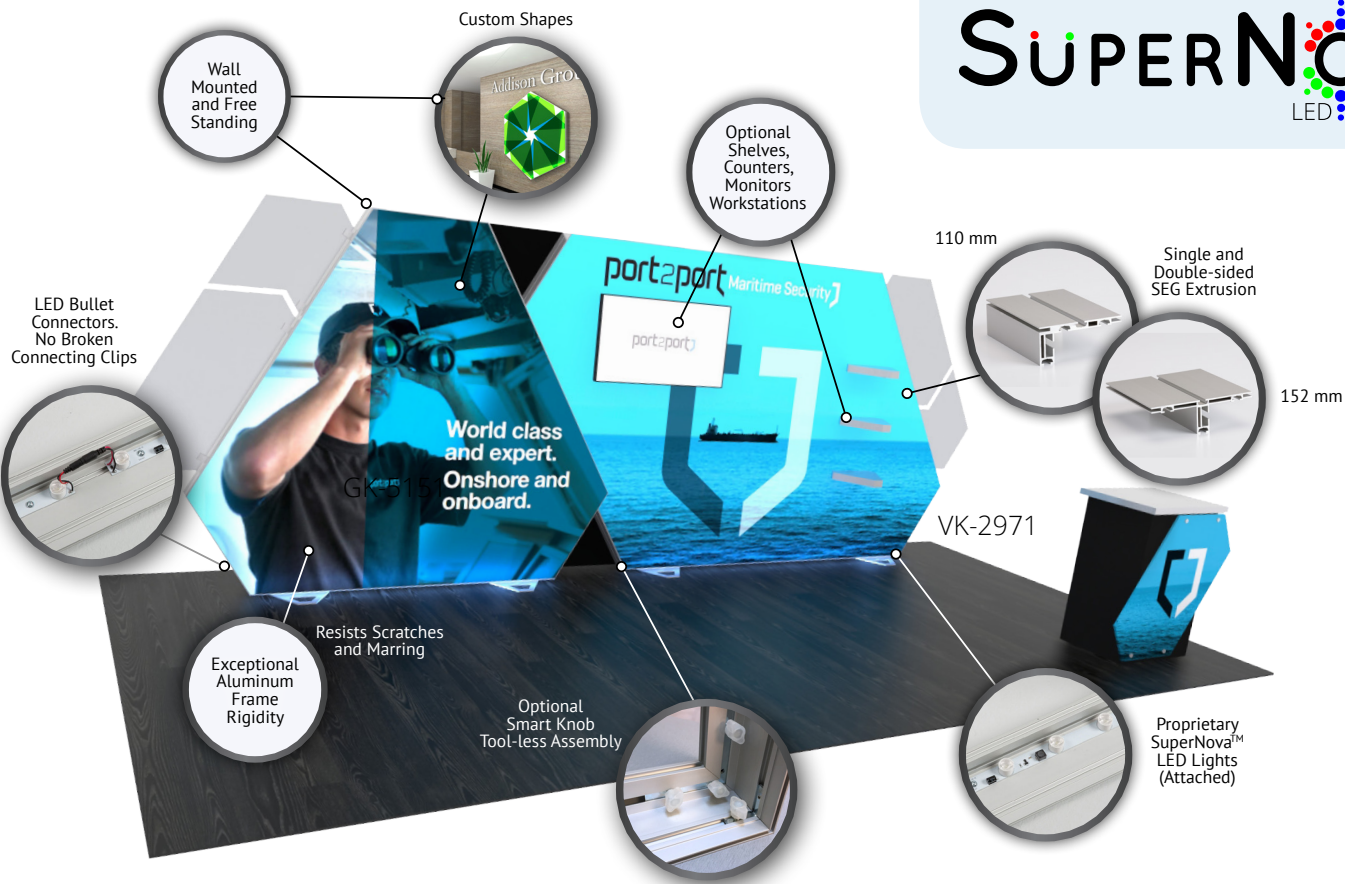

Curved and flat panels combine for limitless design possibilities. Create inlines or islands where graphics wrap across multiple panels, side-to-side or top to bottom. Then reconfigure the panels for an alternative look.

Features + Benefits:

- ▶ Full-size, Fully-Assembled Panels
- ▶ Quick Assembly – No Tools or No Loose Parts
- ▶ One or Two-sided Panels
- ▶ Direct Print or SEG Fabric Graphics
- ▶ Stackable Flat and Curved Panels
- ▶ Engineered Aluminum Frames
- ▶ Perfect for Events, Corporate Environments, Tradeshows, and Retail

SuperNova™ LED Lightbox Designs

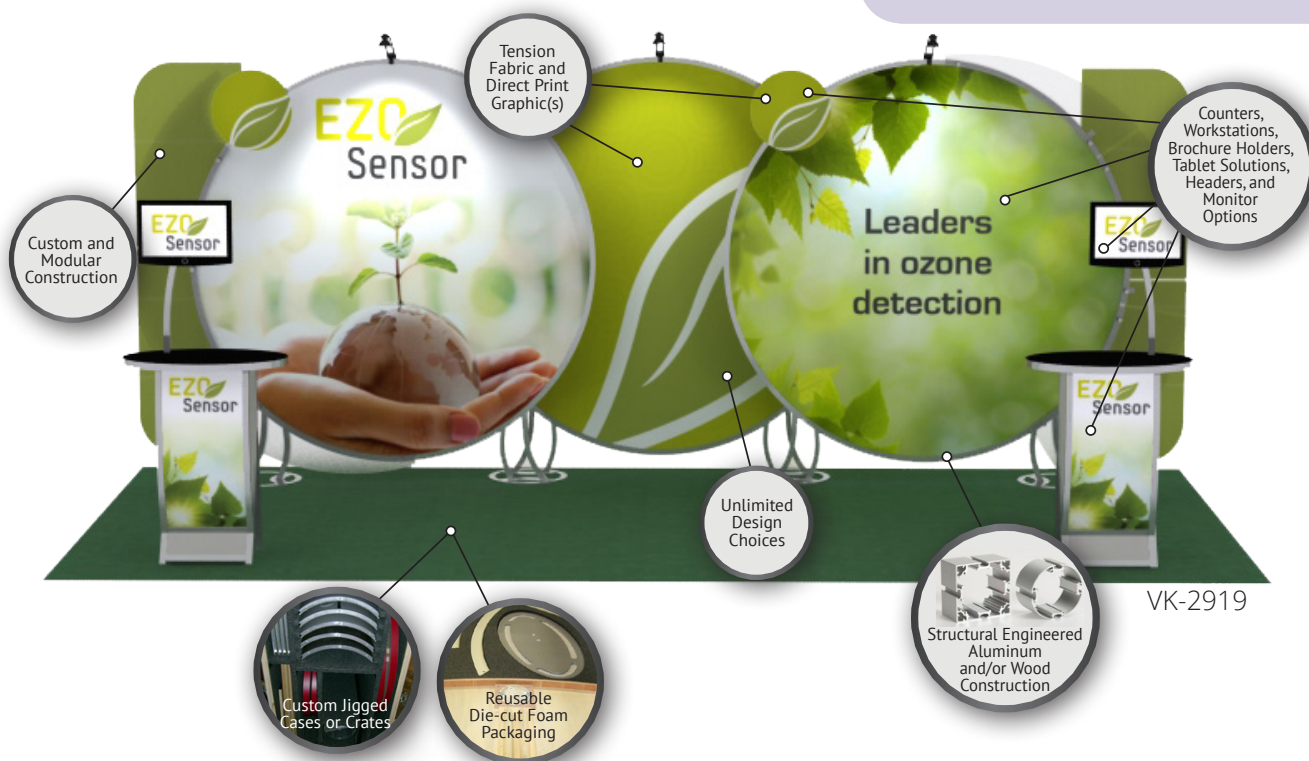

SuperNova™ Lightboxes are designed to maximize backlit graphics in a durable, easy-to-use, and fully customizable frame. The propriety LED modules are optimized for light dispersion, longevity, and easy assembly with “no nonsense” bullet connectors.

Choose from dozens of single and double-sided designs, including custom freestanding and wall-mounted shapes. SuperNova™ frames have exceptional frame rigidity often without internal supports.

Features + Benefits:

- ▶ Anodized Finish – Resists Scratches & Marring
- ▶ Maximum Light. Exceptional Durability
- ▶ Long Lasting, Worry-free LED Lights
- ▶ Exceptional Frame Rigidity
- ▶ Fully Customizable
- ▶ LED Bullet Connectors (No Broken Connecting Clips)
- ▶ No Light Leakage. Easy Assembly.
- ▶ Lifetime Warranty on Workmanship.

Visionary Designs Exhibits

With Visionary Designs Hybrid Exhibits, you're in charge. Our skilled designers personalize the display to your specific trade show requirements, whether you start from an existing kit or from pencil scratches on a napkin. We make it that easy.

All Visionary Designs Hybrid Exhibits combine vibrant tension fabric graphics, durable aluminum extrusions, and elegant laminates into an unmistakable island or inline trade show exhibit.

VK-1116

Features + Benefits:

- ▶ Portable, Modular, and Custom Hybrid Designs
- ▶ Maximum Design Flexibility
- ▶ Inline and Island Exhibits
- ▶ Over 200 Designs
- ▶ Numbered Components for Easy Assembly
- ▶ Reconfigurable Displays
- ▶ Backlit Fabric Options
- ▶ Lifetime Warranty on Workmanship

Sacagawea Portable Hybrid Displays

Affordable Sacagawea Portable Hybrid Displays are contemporary trade show designs constructed with lightweight engineered aluminum and vibrant tension fabric graphics. The Sacagawea sets-up quickly, typically in less than 40 minutes for a 10 ft. display, using knob-assisted assembly. All components are individually numbered and pack in durable roto-molded cases with reusable die-cut foam packaging.

There's only one Sacagawea because no other portable hybrid combines value, design, and convenience into one very attractive portable display. Made in the USA.

Features + Benefits:

- ▶ Lightweight Portable Displays
- ▶ Vibrant Tension Fabric Graphics
- ▶ Affordable Designs
- ▶ Numbered Components for Easy Setup
- ▶ Reconfigurable (10 ft. to 20 ft.)
- ▶ Many Practical Accessories
- ▶ Over 50 Standard Kits
- ▶ Lifetime Warranty on Workmanship

iPad and Surface Stands

These attractive and durable Apple iPad and Microsoft Surface Stands are designed specifically for tradeshow, events, and retail environments. They are lightweight, secure, and easy-to-assemble. Most feature the innovative Swivel Stop™, allowing the iPad or Surface to rotate between the portrait and landscape position without tools. Graphic options include wings, halos, and face plates.

Choose from over 20 designs. Most include a lockable, hinged clamshell or secure enclosure. Ask about tablet options for Samsung, ASUS, Kindle, and others.

Euro LT Custom Modular Exhibits

With Euro LT Custom Modular Exhibits, there's no need to compromise. Euro LT offers all the benefits of a sophisticated laminate design but at a price significantly less than a traditional custom exhibit. You get modular flexibility, solid lightweight construction, and easy assembly -- and the choice of thousands of laminate finishes.

As your trade show marketing evolves, the Euro LT adapts -- converting from an inline to an island simply by adding or removing modular components. No other exhibit can match the Euro LT for price, performance, flexibility, and elegance.

Features + Benefits:

- ▶ Modular Laminate Construction
- ▶ Two-Sided 5/8" Panels
- ▶ Modular and Custom Modular Designs
- ▶ Inlines and Islands
- ▶ Thousands of Laminate Choices
- ▶ Packs Flat for Shipping
- ▶ Lifetime Warranty on Workmanship

LTK-5218

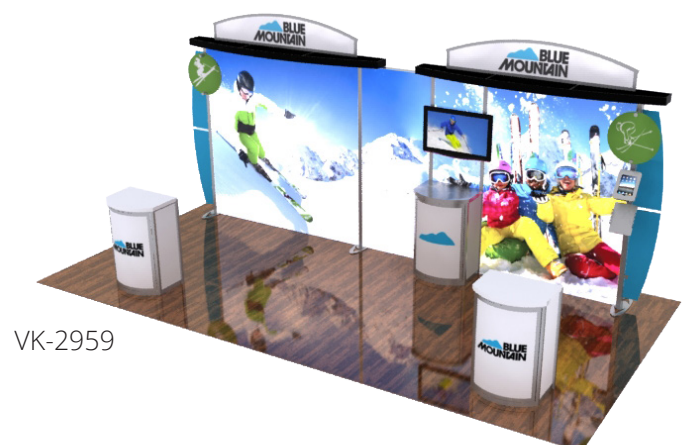

SEGUE Hybrid Displays

SEGUE Hybrid Displays take high-impact, large format fabric graphics beyond the next level. SEGUE Displays maximize your graphic presentation while minimizing the appearance of aluminum by using silicone edge fabric graphics (SEG). With SEG, your visual message and branding takes center stage at your next trade show or event.

Choose from affordable inlines like the Sunrise or breathtaking, upscale designs like the VK-1900. Visit the SEGUE Gallery to see the complete gallery of exhibit designs. Made in the USA.

Features + Benefits:

- ▶ Portable and Modular Designs
- ▶ Maximum Graphic Impact
- ▶ Less Visible Extrusion
- ▶ LED Backlighting Options
- ▶ Multiple Price Points
- ▶ Numbered Components for Easy Setup
- ▶ Reconfigurable (10 ft. to 20 ft.)
- ▶ Lifetime Warranty on Workmanship

Rental Solutions

Custom Modular Rentals

Rental Solutions

There are many reasons to choose a trade show rental display. Is this your first show and you want to test several design ideas? Need an exhibit to supplement your existing trade show schedule?

Consider renting an attractive and affordable exhibit from a Classic Exhibits Distributor. Classic Rental displays feature the latest design trends, including elegant curves and vibrant tension fabric graphics. Choose from accessory options like counters, workstations, monitor stands, and even iPad kiosks.

Features + Benefits:

- ▶ Inlines, Islands, and Accessories
- ▶ Contemporary Hybrid Designs
- ▶ Easy Customization Options
- ▶ Vibrant Large Format Graphics
- ▶ Detailed Setup Instructions
- ▶ Tablet Kiosks, Charging Stations, Monitor Stands
- ▶ Flexible Inventory
- ▶ Staging & Packing Photos

Table Top Displays

Prepare yourself . . . Classic Table Top Displays are amazing! In fact, with so many styles, price points, and features, it may be a challenge to choose just one. Select from the lightweight Sacagawea Hybrid or the contemporary Aero Tension Fabric Table Top. Or, choose from the always popular Quadro Pop Up or the economical Classic Presentation Briefcase Display. And that's just the start.

With over 50 choices, you are sure to find a style that meets your style and at a price that matches your budget.

Features + Benefits:

- ▶ Price Points for Every Budget
- ▶ Fabric, Direct Print, and Mural Graphics
- ▶ Portable, Modular, and Hybrid Designs
- ▶ Lightweight Construction
- ▶ Numbered Components for Easy Assembly
- ▶ Made in the USA
- ▶ Lifetime Warranty on Workmanship
